Frequently Asked Questions (FAQs)

S/N	Category	Question	Response
1	Vocational (2023)	How many subjects are required for entry into a fashion course?	GCE 'N' level passes in Mathematics or Science* and 2 other subjects. Grade A-D or Grade 1-5. Mechanical Design & Automation, IoT Applications, and Mobile Web Applications subjects can be used in lieu of Science for admission to this *Nitec* course. https://www.ite.edu.sg/courses/course-finder/course/nitec-in-fashion-apparel-production-and-design
2	Vocational (2023)	When is the date to enrol for fashion course in ITE College Central?	Apply during the Early Admission Exercise in May 2025 when your child is in Sec 4.
3	General (2023)	If my child is exempted from MT, will the following 4 subjects (EL, Maths and 2 ISS subjects) be considered for progression into ITE?	EL, Maths and 2 ISS subjects can be considered for progression into ITE as it meets the min of 4 subjects.
4	General (2023)	If my child is exempted from MT, how is he going to progress to ITE with 4 NT subjects?	ITE considers the 4 best subjects for entry to ITE. MT is considered as one of the NT subjects.
5	General (2023)	If my child does not attain a good result for his 'N' level exams, will he still be eligible to go to an ITE?	Still is possible as some courses require you to pass N level exam which is equivalent to obtaining at least a Grade D or better in at least one NT subject.
6	Vocational (2023)	What are the ISS subjects required for my child to get into Nursing at ITE?	None of the ISS subject. Need to obtain 3 NT level passes. **3 GCE 'N' Level Passes:** Grade A-D or Grade 1-5 in English Language, Mathematics and one other subject
7	General (2023)	If my child did not pass the 2 ISS subjects, can he still proceed to ITE? Will he be given limited course selection?	He can still proceed to ITE by using the non-ISS subjects such as EL, MT, Maths and Science
8	General (2023)	Can u list out the actual combination? It was short form in the list.	Culinary & Restaurant Operations, CRO Mechanical Design & Automation, MDA Retail & e-Commerce, ReC

			Internet of Things Applications, IoTA Mobile Web Applications, MWA
9	General (2023)	When is the 1 month Industry Experiential Programme? How will the students be chosen for the attachment?	4th Week of Oct to 3rd Week of Nov. Students will be attached to various companies and organisations.
10	General (2023)	Are there any statistics to share on the popularity of the different combinations of courses?	We use statistics to decide on the different combination of ISS subjects. However, it may differ year to year, dependant on the student interests.
11	General (2023)	Will the materials be made available after the dialogue session?	Yes, it will be loaded on the school website.
12	General (2023)	What if my child does not have any interest in any of the ISS options offered to him?	If he has no interest in any ISS options, the option will still be given to him based on his best performance in 2 of the 5 taster modules. Each ISS option is considered as one NT level subject. We will encourage him to try as many NT level subjects as possible, so he has more choices of course at ITE.
13	General (2023)	I understand some ITE graduates struggle with Year 1 and 2 modules in Engineering Maths. Which of these ISS subjects require stronger Maths competency?	ISS subjects which require stronger Maths competency: - MWA - MDA - IoTA
